**dreachd Plana Nàiseanta na Gàidhlig**

**draft National Plan for Gaelic**

*Tha fàilte air a cur air ur beachdan mu thaobh sam bith den dreachd Plana. Dh'fhaodadh na ceistean a leanas sibh fhèin no am buidheann agaibh a chuideachadh leis na freagairtean agaibh, ach chan eil e riatanach stiùireadh a ghabhail bhupa seo a-mhàin.*

*Your response is welcome on any aspect of the draft Plan. The following questions may be of help to you or your organisation in developing your response, but your submission need not be directed by these.*

A bheil sibh ag aontachadh leis an lèirsinn a tha anns an dreachd Plana?

Is the vision of the draft Plan one in which you can share?

Yes - We need positive moves to encourage more use of the language.

Ri linn freagairt na ceiste mu dheireadh, a bheil na pròiseactan roinneil a thatar a' moladh riatanach do na h-amasan airson 2012? Mura h-eil, ciamar nach eil?

In the light of your response to the above question, are the proposed sectoral projects essential to the meeting of the action area aims for 2012? If not, why not?

Yes these projects are essential.

A bheil na builean airson an fhichead raon agus na prìomhachasan airson  
dèiligeadh leotha air am mìneachadh gu ceart agus ann an òrdan freagarrach?  
Mura h-eil, ciamar nach eil?

Are the outcomes for the twenty themes and the priorities for  
tackling them correctly outlined and prioritised? If not, why not?

The action areas are all  
important. But what I see as  
the priority is getting Gaelic spoken  
outside the schools and Mods - in the  
homes, youth clubs, shops and community  
centres. A language can only increase  
if it is spoken regularly.

Ri linn freagairt na ceiste mu dheireadh, dè na pròiseactan a tha, nur beachd-ne,  
riatanach gus na prìomhachasan sin a choileanadh (tha eisimpleirean cheistean  
ann an Fàrr-sgrìobhadh 1)?

In the light of your response to the above question, what  
projects do you view as being essential to implementing  
these priorities (some examples are offered in Appendix i)?

A support structure for learning Gaelic -  
target parents of children of G.M.U., they  
are most keen to learn.

More promotion of Gaelic preschool & schools,  
although word of mouth is always the best.

Encourage more teachers - this is starting to  
happen. + support for Gaelic teacher - our present  
teacher is in temporary, student like room in a  
have accommodation. 2

Arts - visiting drama & music.

An iad na buidhnean freagarrach a tha air an comharrachadh mar phrìomh bhuidhnean ann an coileanadh nam prìomhachasan sin?

And are the right organisations identified as being the primary players in implementing these priorities?

Seen to be.

Ma tha sibh a' freagairt às leth buidhinn, ciamar a tha sibh gur faicinn fhèin a' cur ri soirbheachd a' Phlana Nàiseanta?

If you are responding on behalf of an organisation, how do you see yourselves contributing to the success of the National Plan?
